FOUNDER
Dare to Empower, Inc was founded in 2015 with one idea, to provide prom dresses to young girls in low income areas within the Atlanta Metro Area. The following year, we began our Back to School Drive.

September 16, 2016 Dare to Empower, Inc became an official 501(c)3, in efforts to increase our donations and ability to help more. That same year, we created a literacy program and The Holiday Helping Hand.
